recalled from London to tell the solve, tary exactly what he said in a recent speech there, reports of which muoted him as severely criticising Irish sympathizers in the United States.

The admiral reported to Mr. Denoy this morning and declared that he had been inaccurately quoted in accounts of his speech. The secretary promptly instructed him to state in writing specifically, as far as possible, the instances in which he had been misquoted and to give, as closely as he could, a text of what he actually said. Less than two hours later the admiral had transmitted his report to Secretary Denby and returned to a local hotel to await the outcome.

The admiration bill was received by most republican leaders with approval. It was pronounced by Senator Penrose to be the "most important" bill of the present congress. Some democrats, how ever, declared they would oppose any grant of unlimited powers and intimations of a similar position were given by some republicans.

AMERICAN IN IRELAND

APPEALS FROM SENTENCE

Secretary Denby took the report home Dublin, June 23 (By the A. P.).—Edwith him for study this evening.
